ADDENDUM #1

September 4, 2013

Florence County is sending to all interested parties answers to frequently asked question(s) concerning this RFQ. The answer is highlighted in red and underlined.

1. Are the six items listed under "Information Requested" to be part of the three page Letter of Interest? The six items listed under "Information Requested" should be covered in the SF330 Form. The information in the first paragraph under "Information Requested" is what should be included in the letter of interest. If any of the six items listed under "Information Requested" is not covered in the SF330 Form, it should be included in the letter of interest.

2. Do you need 330's for both the prime and sub-consultants? The agreement will be with the prime consultant, therefore, the 330 will be required only from the prime consultant. However, the prime consultant shall ensure that any sub-consultants that are used are properly qualified to meet the standards that will be given by the prime consultant.
