STAFF REPORT
TO THE
FLORENCE COUNTY PLANNING COMMISSION
JULY 26, 2011
PC#2011-14

SUBECT: Request for text amendment to the Section 27-21. Street Naming of the Florence County Code of Ordinances

APPLICANT: Florence County Planning Department

Staff Analysis:
Staff is requesting an amendment to the section to correct errors that were found in the previously submitted changes that were adopted by Council in 2002 in the final submission.

Staff also requests an amendment to the text of this section for the filing fee.

Text Amendment Request:
The amendment to text of the **Florence County Code of Ordinances**, **Section 27-21. Street Naming (d) Renaming roads and (e) Request to rename, filing fee,** if approved shall read as follows:

(d) Renaming roads. Roads that have been officially named by the Florence County Council will ~~only~~ **not** be considered **for renaming during the E-911 implementation process for a twelve-month period following the system's cutover. Following this period, request for the renaming of roads will be considered as deemed necessary.**~~by the Florence County Council at its first regular meeting in January and July of each year, upon the recommendation of the Florence County Planning Commission.~~

(e) **Request to rename, filing fee.** For any street with ~~on~~ **an** official name, prior to consideration for renaming by the Florence County Planning Commission, ~~A~~ **a** non-refundable filing fee **of $100.00** must be received by the Florence County Planning Department office. ~~Said~~ **This** fee **is** ~~will be E~~**e**stablished **and is subject to periodic changes** by the Planning Commission and the County Administrator.

Staff Recommendation:
Staff recommends approval to the Florence County Planning Commission as presented.
