Clerk to County Council

Florence, SC 29501

Dear Mrs. Haselden,

I am requesting to be placed on the Florence County Council agenda for March 17, 2011. I would like to appear in support of proclaiming March 18, 2011 William H. Johnson Day for Florence County in celebration of his would be 110th birthday.

Biography

William H. Johnson (1901 – 1970) was born in Florence, South Carolina and moved to New York at age 17. Working a variety of jobs, he saved enough money to pay for an art education at the prestigious National Academy of Design. His mastery of the academy's rigorous standards gained him both numerous awards and the respect of his teachers and fellow students.

Johnson spent the late 1920's in France, absorbing the lessons of modernism. As a result, his work became more expressive and emotional. During this same period, he met and fell in love with Danish artist Holcha Krake, whom he married in 1930. The couple spent most of the 1930's in Scandinavia, where Johnson's interest in primitivism and folk art began to have a noticeable impact on his work.

Returning with Holcha to the U.S. in 1938, Johnson immersed himself in the traditions of Afro-America, producing work characterized by its stunning, eloquent, folk art simplicity. A Greenwich Village resident, he became a familiar, if not somewhat aloof, figure on the New York art scene. He was also a well-established part of the African-American artistic community at a time when most black artists were still riding the crest of the Harlem Renaissance. (National Museum of American Art, 1991)

If there is anything that I can do to assist with this please let me know.

Regards,

Andrew R. Stout
Museum Director

Hello Connie,

On behalf of the Pee Dee Veterans Advisory Council (PDVAC), American Legion Post 1 and Eastern Carolina Homelessness Organization (ECHO), I would like to be on the agenda with County Council. We would like to present before County Council the "Stand Down" event for homeless veterans for Florence on June 8 thru 11, 2011 (see attached flyer). Also, to request for funding support or in-kind support for this event. Stand Down refers to a grassroots, community-based intervention program designed to help the nation's estimated 107,000 homeless veterans on any given night "combat" life on the streets. According to the latest point-in-time count January 27, 2011, an estimated over 150 homeless veterans were counted in the Pee Dee area. These homeless veterans are brought together in a single location for one to three days and are provided access to the community resources needed to begin addressing their individual problems and rebuilding their lives.

Please let me know soon. We appreciate your support.

Sincerely,

Lloyd Flores, Sr.
President ECHO
Vice-Commander (PDVAC)

AGENDA ITEM: Resolution No. 13-2010/11

DEPARTMENT: Finance
Human Resources

ISSUE UNDER CONSIDERATION:

A Resolution To Amend The Florence County Personnel Policy Manual To Modify Vehicle Collision Review Board Penalties for Driving Violations, And Rehire Rates of Pay Beginning July 1, 2011.

POINTS TO CONSIDER:

1. Florence County Council adopted the Florence County Personnel Policy Manual, Section 4.10D(5), Vehicle Collision Review Board Procedure on January 17, 2008. The Vehicle Collision Review Board has proven effective in reducing violations, but needs greater latitude in penalty levels for prevention of injury to individuals and damage to County assets, especially in the case of repeat incidents.
2. Florence County Council adopted the Florence County Personnel Policy Manual, Section 9.5A, Starting Rates of Pay on May 4, 2006. Councilmembers are contemplating amending the policy to cap starting rates of pay for applicants who are re-hired following completion of the Teacher and Employee Retirement Incentive (TERI) program or retirement from any South Carolina Retirement System (SCRS) covered employer.

OPTIONS:

1. *(Recommended)* Approve Resolution No. 13-2010/11.
2. Provide an alternate directive.

RESOLUTION NO. 13-2010/11

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

(To Amend The Florence County Personnel Policy Manual To Modify Vehicle Collision Review Board Penalties for Driving Violations, And Rehire Rates of Pay Beginning July 1, 2011.)

WHEREAS:

1. The Vehicle Collision Review Board has proven effective in reducing violations, but needs greater latitude in penalty levels for prevention of injury to individuals and damage to County assets, especially in the case of repeat incidents; and
2. Councilmembers have conveyed a preference to cap starting rates of pay for all applicants that are rehired in any capacity with Florence County following completion of the Teacher and Employee Retirement Incentive program or retirement from any South Carolina Retirement System covered employer; and
3. Both of these changes require amendment of the Florence County Personnel Policy Manual by the County Council.

NOW THEREFORE BE IT RESOLVED BY THE FLORENCE COUNTY COUNCIL DULY ASSEMBLED THAT EFFECTIVE JULY 1, 2011:

1. The Florence County Personnel Policy Manual, Section 4.10D(5), Vehicle Collision Review Board Procedure is hereby replaced with the following, effective July 1, 2011:

4.10D(5) Vehicle Collision Review Board Procedure

4.10D(5)(a) Purpose: The Vehicle Collision Review Board (VCRB) is created to assist in determinations of the preventability of vehicle incidents involving county assets. The Board's goal is to determine procedures and methods which may reduce injury exposure for County staff members, the public, and public assets, including findings of fault and recommendations of action to be taken, aimed at minimizing the loss of County resources due to vehicle incidents.

4.10D(5)(b) Composition, Appointment and Terms:

4.10D(5)(b)(i) VCRB members serve for terms of two (2) years, except that the members appointed initially are appointed so that their terms will be

staggered, and approximately one-half of the terms expire annually. No member shall serve for more than two (2) consecutive terms. All members to be selected shall be currently employed as a regular, full time employee, one (1) representative from each of the following departments:

Planning and Building Inspection Department

EMS

Emergency Management Department

Public Works

Recreation

Magistrate

~~* Sheriff's Office~~

~~* applies only when participating officially with jurisdiction, at the Sheriff's direction~~

4.10D(5)(b)(ii) The County Administrator may appoint two (2) alternate members to serve in the event a regular member cannot participate.

4.10D(5)(b)(iii) An announcement of vacancies will be forwarded to each of the official heads of the above-named offices, who shall solicit interest from their staff in the form of letters of interest. The directors/officials shall submit all letters of interest and their recommendation to the Risk Manager, who will review and compile the listing and recommendations and confer with the County Administrator. The County Administrator will appoint the Board members from the applicants after consultation with the recommending officials, repeating the entire process as necessary to maintain appropriate membership.

4.10D(5)(b)(iv) Department designees having any probable conflict of interest and/or employed in the same department as the primary staff member involved cannot participate in a VCRB hearing.

4.10D(5)(c) Officers:

4.10D(5)(c)(i) The Board shall select its own chairman from among its members annually. The Board shall also select a co-chairman to serve in the absence of the chairman. The chairman serves as the presiding officer at all hearings which he attends. A quorum consists of four (4) members and no hearings may be held without a quorum present.

4.10D(5)(c)(ii) The Risk Manager shall act as a non-voting member of the VCRB and shall present the facts of the incident being reviewed, though he is authorized to cast a vote to break a tie vote on any issue. Members shall vote on the record as to any recommendation or decision of the Board.

4.10D(5)(d) Authority:

The Vehicle Collision Review Board is empowered to:

4.10D(5)(d)(i) Review incidents involving county vehicles, heavy equipment, and any wheeled or powered conveyance (hereinafter collectively referred to as “vehicle”) to make a determination of the preventability of the incident based on the available information and research. The National Safety Council’s “Guide for Determining Preventability of Motor Vehicle Accidents” will be utilized as a basis for determining potential preventability. Factors to be considered include: probable preventability of the incident, nature of the incident, number of incidents by the driver, past performance of the driver, and any other relevant information before the Board.

4.10D(5)(d)(ii) Notify the driver in writing of the VCRB findings and recommend to the department head corrective action to reduce the probability of recurrence. The Board’s recommendations may also include action regarding a staff member whose behavior adversely affects the safe operation of county owned vehicles/equipment.

4.10D(5)(e) Hearings:

4.10D(5)(e)(i) The VCRB shall meet as soon as possible upon report of an incident in which a staff member is involved. However, pending litigation may delay final review of an incident by the VCRB until judicial decisions are final and available to the Board. Hearings shall be called by the Risk Manager, who will forward all pertinent information relating to the incident to the members of the VCRB as confidential material. Hearings may go into executive session in accordance with state law by vote of the Board. A quorum consists of four (4) members and no hearings may be held or decisions made without a quorum present. Additionally, all votes/decisions of the Board shall require the affirmative vote in open session of four (4) members present to pass.

4.10D(5)(e)(ii) A staff member who has been involved in an incident that has been scheduled to be reviewed by the VCRB is expected to be present at the hearing. If the staff member is not present at the required date and time, the hearing will proceed in their absence and the staff member may forfeit his right to an appeal.

4.10D(5)(f) Penalties for Driving Violations:

4.10D(5)(f)(i) A staff member that the VCRB determines to be at fault as the operator in an incident involving a publicly owned vehicle may be responsible for payment of 10% or a \$200.00 minimum of applicable costs not to exceed \$500.00.

4.10D(5)(f)(ii) A staff member whose actions have been determined as willful may have all damages assessed at full cost.

4.10D(5)(f)(iii) A staff member who is found to have contributed to an incident in a County vehicle (a “no-fault” report included), also may be responsible for payment of a portion of the County’s deductible not to exceed \$250.00.

4.10D(5)(f)(iv) If there is no damage to a County vehicle, the staff member may be liable for the repair cost of the other vehicle or fixture in an amount not to exceed \$500.00.

4.10D(5)(f)(v) Any staff member found to be at fault may be required to complete an eight (8) hour defensive driving class. The staff member also may be required to contribute to and/or pay the cost of the class up to \$250.00.

4.10D(5)(f)(vi) A staff member found to be at fault and assessed fines/costs may arrange payments by means of payroll deduction in as few pay periods as possible, preferably ten (10) pay periods or less. If employment is terminated before the amount of responsibility is satisfied, the remaining balance will be deducted from the final paycheck and/or subject to set-off debt collection.

4.10D(5)(f)(vii) Other Penalties: The VCRB may recommend appropriate action based on the individual circumstances of an incident. More specific actions may be recommended relative to the amount of injury and/or damage – or the potential for such. A staff member involved in repeat incidents within a three year period may have County driving privileges suspended and/or be assessed fines/costs up to \$1200.00. Action may result for any County staff member not wearing a seatbelt while operating a County vehicle pursuant to Section 15.3A (52) of the Florence County Personnel Policy Manual.

4.10D(5)(g) Findings:

The Risk Manager shall present the Board’s documented findings and recommendations to the director/official, Human Resources Director for inclusion in the staff member’s personnel file, and the County Administrator. The director/official will be responsible for reviewing the recommendations and taking appropriate corrective action, notifying in writing the VCRB via the Risk Manager, the Human Resources Director, and the County Administrator of their decision/action regarding the recommendations within five (5) working days of receipt of the recommendations.

4.10D(5)(h) Appeal to Administrator:

If dissatisfied with the decision of the Department Director/Official, the staff member who participated in the VCRB hearing process may request in writing to the Risk Manager for an appeal to the County Administrator or, in the case of

elected officials' staff, said official. Elected officials can hear the appeal of any of their staff members in such manner as they determine to be appropriate. In the case of the County Administrator for other staff members, the Risk Manager shall inform the County Administrator who shall review the case and make a final decision within five (5) work days.

2. The Florence County Personnel Policy Manual, Section 9.5, Starting Rates of Pay, paragraph 9.5A is hereby replaced with the following:

9.5A The minimum salary of the established pay grade for a position is considered the normal appointment salary for positions in Florence County. Applicants who completed the Teacher and Employee Retirement Incentive (TERI) program and applicants who retired (receiving a retirement benefit) from Florence County or any other South Carolina Retirement System (SCRS) covered employer are hired at the minimum entry level. Appointments below or above the minimum of the established pay grade may be authorized as follows:

county's principal public procurement official. The director of general services shall serve as the director of procurement unless designated otherwise by the county administrator.

(2) *Appointment.* The county administrator shall appoint the director of procurement.
(Ord. No. 14-83/84, § 1(2-101), 8-21-84)

Sec. 11-28. Same—Authority and duties.

(1) *Principal public procurement official.* The director of procurement shall serve as the principal public procurement official of the county, and shall be responsible for the procurement of supplies, services, and construction in accordance with this article, as well as the management and disposal of supplies.

(2) *Duties.* In accordance with this article, the director of procurement shall:

- (a) Procure or supervise the procurement of all supplies, services, and construction needed by the county;
- (b) Exercise general supervision and control over all inventories and supplies belonging to the county;
- (c) Sell, trade, or otherwise dispose of surplus supplies belonging to the county; and
- (d) Establish and maintain programs for the receiving, inspection, testing, and acceptance of supplies, services, and construction.

(3) *Operational procedures.* Consistent with this article, the director of procurement shall recommend and the county administrator promulgate operational procedures relating to the aforesaid duties. These shall be issued to departments for inclusion in the "Operational Policies and Procedures Manual."

(Ord. No. 14-83/84, § 1(2-102), 8-21-84)

Sec. 11-29. Delegation of authority by the director of procurement.

The director of procurement may delegate authority to designees of the office of the director of procurement.

(Ord. No. 14-83/84, § 1(2-103), 8-21-84)

Sec. 11-30. Policies.

The following policies are established and will be adhered to in the administration of the provisions of this article:

- (1) All requests for prices and/or services, and all purchases shall be made by the procurement director. In certain instances, authority to request prices and secure items of small monetary value may be delegated to others as designated by the procurement director and approved by the county administrator.
- (2) The procurement director shall have full authority to question the quality, quantity and kind of materials requisitioned in order that the best interests of the county may be served.
- (3) The procurement director shall not receive any benefit or profit from any contract or purchase made by the county.
- (4) The general services director shall buy for the needs of the county and designated agencies only.
- (5) Acceptance of gifts at any time, other than advertising novelties, shall be prohibited. Employees shall not become obligated to any vendor and must not conclude any county transaction from which they may personally benefit.
- (6) The procurement director shall strive to maintain strong and enduring relationships with vendors of proven ability and with those who have a desire to meet the needs of the county. To accomplish this, purchasing activities shall be conducted so that vendors will value our business and will make every effort to furnish our requirements on the basis of quality, service and price.
- (7) The county shall buy only from vendors who have adequate financial strength, high ethical standards and a record of adhering to specifications, maintaining shipping promises and giving a full measure of service. New vendors will be given

(10) *Cancellation of orders.* All cancellations of orders must be made by the procurement officer. An order would most likely be canceled when advised of an unusual price increase, that the firm can no longer supply the item, or if there is an unacceptable delay in delivery. All order cancellations will be made in writing to the vendor.

(11) *Interviewing vendors.* All vendors who wish to do business with the county should first contact the procurement officer to make their products and/or services known. If the procurement officers finds that a vendor has something to offer, arrangements can be made with a department head or supervisor to meet the vendor and discuss his product.

(12) *Informal bids.*

- (a) Single purchase orders under \$2,500.00 shall be awarded by the general services director after receiving a minimum of three written quotes.
- (b) Single purchase orders of more than \$2,500.00, but equal to or less than \$10,000.00, shall be awarded by the general services director using the informal bid process.

(13) *Purchase contracts.* All purchase contracts shall originate in the procurement director's office, and upon completion are filed with the finance director. For every annual contract or price agreement there is a contract sheet showing the vendor, contract items, prices, terms and other provisions furnished to each department concerned.

(14) *Confirming purchase orders.* Confirming purchase orders are those where verbal orders are placed with a vendor and the order is confirmed by a purchase order marked "confirmation." Such orders must be limited and be given prior approval only by the director of procurement.

(15) *Checking of funds.* Before making a requisition, the department head shall check his budget to insure that sufficient funds are available. The signature of the department head on the requisition in the "approved by" section, is a certification that the funds are available for the anticipated purchase. The procurement officer shall have no authority to request or approve

funds for purchases not provided for in the budget. In addition, the procurement officer, before granting any requisition for, or contracting for, or accepting any bids, or purchasing any such supplies, merchandise, or articles, shall inform himself as to whether or not there is an appropriation out of which payment can be made, and if there is not, then he shall refuse to grant such requisition or to contract or issue a purchase for, or accept such bids or to purchase such supplies, merchandise or articles, unless directed by the county administrator to do otherwise.

(16) *Equipment repairs.* For repairs to equipment, submit a requisition to the procurement officer. He will issue a purchase order for repairs, except as noted herein. The county administrator may authorize purchase in advance of up to \$10,000.00, using informal bid procedures, if warranted. The county administrator may also waive the bid requirement on equipment repairs with county council's approval, where there exists no possibility of a competitive bid, as in the case of only one source of supply, when it is to the advantage of the county to acquire goods and/or services on the basis of a previously awarded bid; or in the case of emergency purchases.

(17) *Purchase of equipment not budgeted.* To purchase equipment which is not budgeted, funds must be approved and transferred to a capital account. The following steps should be taken:

1. Submit a request in writing to the finance director stating reasons for the request along with a completed budget revision form indicating where funds are available for transferring to a capital account.
2. The finance director will review all requests and coordinate them with the county administrator for his approval.
3. If request is approved, upon notification, send a requisition to the procurement officer. (Failure to follow these steps will only delay your request.)

(18) *Service agreements.* Service agreements are yearly maintenance agreements on office machines such as typewriters, adding machines, dictating equipment, and heavy equipment. All service agreements, other than heavy equipment,

shall be consolidated under the director of procurement. The present policy is to carry service agreements on all office machines which are used on a regular basis. When new equipment is purchased, most of the time it carries a one-year warranty. For this reason, a service agreement is usually not carried the first year, but begun the second year. A record is maintained by the procurement officer on all equipment under service. The record shows the type machine, location, amount of service agreement, and expiration date. When invoices are received from vendors, the items are checked against the list of machines under agreement and then a purchase order is prepared to pay the renewal cost. A periodic check is conducted to determine if all machines under agreement are being used and if, not, they are removed from the service agreement. It is the county's policy to carry service agreements with the company who sells the equipment. For manual typewriters, bids are obtained from local service firms for service on an annual basis. All equipment procured under the total cost bid concept shall have the service contract administered by the central maintenance director.

(19) *Excess, obsolete and/or junk materials, or other items.*

- (a) County-owned property will be disposed of through public auction or through taking publicly advertised sealed bids with approval of county council where feasible. The director of procurement shall be responsible for all disposal of junk materials, such as furniture, automobiles, trucks, tractors, lawn mowers, scrap, etc. Books and other items shall be listed by the appropriate department head and submitted to the director of procurement.
- (b) The director of procurement shall prepare a listing of all excess, obsolete, and/or junk materials for presentation to county council for the resolution declaring the material excess, obsolete, or junk.
- (c) Such excess material may be traded in for a replacement item of the same type, if approved in the annual budget or by specific action of county council.

(20) *Taxes.* The county is exempt from federal excise taxes, but not state sales taxes. Exemption certificates will be furnished to vendors supplying the county with items that normally carry federal excise tax.

(21) *Tests.* The procurement officer shall have the authority to require chemical and physical tests of samples submitted with bids and samples of deliveries which are necessary to determine their quality and conformance with the specifications. In the performance of such tests, the procurement officer shall have the authority to make use of laboratory facilities of any agency of the county or any outside laboratories. ;hn0 (Ord. No. 14-83/84, § 1(2-301), 8-21-84; Ord. No. 19-85/86, § 4, 5-15-86; Ord. No. 16-87/88, §§ 2, 3, 10-15-87; Ord. No. 16-93/94, §§ 5—10, 1-20-94)

3. Once the purchase order has been written, the requisition is filed in the purchasing files, along with the appropriate order.

(2) *Bid spread sheets.* Bid spread sheets are used by the procurement officer tabulating all formal or informal bids received.

(3) *The purchase order.* After requesting bids and selecting a qualified vendor, the purchase order is written. The purchase order, which is written only by the procurement officer, serves as authorization to the vendor to furnish specific products and/or services to the county.

2. Requesting department's file copy (yellow);
3. Receiving copy (pink);

 - c. Pink copy (3), receiving copy, is assigned to the respective central receiving authority;
 - d. Gold copy (4), voucher copy, is forwarded to the finance department along with the approved requisition;
 - e. Blue copy (5), purchasing copy, is retained by the purchasing department and filed in numerical order.
2. When delivery has been completed through the centralized receiving authority, the department head then will sign the pink receiving copy with the invoice (bill) attached if it was not mailed directly to the finance department, and forward it to the finance department. If unit and total prices on the invoice (bill) and purchase order match and the merchandise has been received, the invoice is cleared for payment.

after review by the finance director and county administrator and then paid. If the invoiced prices do not match the purchase order or if all the correct merchandise has not been received, the invoice and pink receiving copy of the purchase order are forwarded to the director of procurement for investigation and needed administrative action.

(4) *Request for quotations.* The request for quotations form is used for obtaining informal bids on purchases where advertising is not required. (This pertains to purchases under \$5,000.00.

(a) The request for quotations form is prepared in sufficient quantities to allow one copy for bidder, one for file and a few extra copies for unsolicited bidders.

(d) Director of procurement shall tabulate all quotations received and select a vendor.

(5) *Annual contracts/blanket agreements.* It shall be the director or procurement's policy to establish annual contracts and price agreements whenever possible, running concurrent with the fiscal year. By consolidating requirements and requesting bids for a specific time period, the county can obtain lower prices, as well as eliminate the need for requesting bids several times a year. The following are examples of items normally under contract:

1. Concrete;
2. Copper tubing/plastic pipe;
3. Fitting, cast-iron pipe;
4. Garbage containers;
5. Petroleum products;

Thus, conflicting purchases can be controlled and substitute materials carried in stock, which might otherwise become obsolete, can be fully utilized.

All such items returned to stock, shall be recorded on a storeroom form as deemed necessary.

(b) The storekeeper and/or inventory clerk(s) shall prepare a report at the time the material is returned to the storeroom. This shall indicate the quantity and description of the material, and the department returning it; the storekeeper and/or inventory clerk, in cooperation with the procurement director, shall determine the condition of the goods.

ORDINANCE NO. 17-2010/11

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

(An Ordinance Dissolving Pursuant To Section 4-9-30(5)(E) Of The Code Of Laws Of South Carolina, 1976, As Amended, The Johnsonville Rural Fire District As A Special Tax Fire District Created Pursuant To Section 4-9-30 Of The Code Of Laws Of South Carolina, 1976, As Amended, Incident To The Establishment Of Said District As A Special Tax Fire District Under Article 19 Of Title 4 Of The Code Of Laws Of South Carolina, 1976, As Amended, Providing For The Conditions With Respect To Said Dissolution, And Other Matters Related Thereto.)

WHEREAS:

1. Pursuant to the authorizations contained in Section 4-9-30 of the Code of Laws of South Carolina, 1976, as amended (the "Code"), Florence County, South Carolina (the "County"), acting by and through its County Council ("Council"), created the Johnsonville Rural Fire District (the "District") by ordinance enacted on December 10, 1981 (the "1981 Ordinance") for the provision of fire service within an unincorporated area of the County designated in the Ordinance; and
2. Subsequent to the creation of the District pursuant to Section 4-9-30 of the Code, the South Carolina General Assembly enacted Section 4-19-10, et seq. of the Code, which specifically allows Counties to create Special Tax Fire Districts without holding a referendum, which districts are operated under the authority and taxing power of the County and
3. Since the enactment of said section 4-19-10, et seq. of the Code, all other County fire districts have been created and are administered under its provisions; and
4. The proceedings for the creation of the District under Section 4-9-30 of the Code impose certain limitations on the taxing power of the County with respect to the administration of the District that are inconsistent with South Carolina law and the administration of the County's other fire districts, and that impose barriers to the provision of effective fire protection service by the District; and

5. Section 4-9-30(5)(e) of the Code provides that a special tax district created pursuant to the provisions of Section 4-9-30 of the Code may be dissolved by ordinance of County Council after a duly noticed public hearing; and
6. The District has requested that the County simultaneously dissolve the District as it is presently constituted under Section 4-9-30(5)(e) of the Code and reconstitute the District as a special tax fire district under 4-19-10, et seq. of the Code; and
7. Pursuant to said request, Council has duly noticed by publication in the *Morning News* a public hearing which was held on March 17, 2011 concerning the dissolution of the District pursuant to Section 4-9-20(5)(e) of the Code.

NOW, THEREFORE, BE IT ORDAINED BY THE FLORENCE COUNTY COUNCIL, SOUTH CAROLINA DULY ASSEMBLED THAT:

Section 1.01

Pursuant to said 4-9-30(5)(e) of the Code, the District is dissolved as a Special Tax Fire District created pursuant to Section 4-9-30(5) of the Code, such dissolution to become effective upon the creation and reestablishment of the District by Ordinance of Council pursuant to Chapter 19 of Title 4 of the Code.

Section 1.02

All orders and resolutions and parts thereof in conflict herewith are to the extent of such conflict hereby repealed, and this ordinance shall take effect and be in full force from and after the creation and reestablishment of the District by ordinance of Council pursuant to Chapter 19 of Title 4 of the Code.

BE IT ORDAINED BY THE FLORENCE COUNTY COUNCIL, SOUTH CAROLINA, IN MEETING DULY ASSEMBLED:

ARTICLE I

FINDINGS OF FACT

As an incident to the adoption of this Ordinance, and the creation and reestablishment of the Johnsonville Rural Fire District, the Florence County Council, finds that the facts set forth in this Article exist, and the statements with respect thereto herein made, are true and correct.

Section 1.01

Pursuant to the provisions of Chapter 19 of Title 4 of the Code of Laws of South Carolina, 1976, as amended (the "Enabling Act"), the Florence County Council (the "Council"), the governing body of Florence County, South Carolina (the "County"), is empowered to establish, operate and maintain a system of fire protection facilities within designated areas of the County in order to provide the residents and property owners who reside and own property located within the designated areas with fire protection services.

Section 1.02

An area of the County surrounding the City of Johnsonville and contiguous with the area of Florence County School District No. 5 less and except the area within the municipal limits of the City of Johnsonville (the "Johnsonville Rural Area") has been previously designated as a special tax fire district by the County under Chapter 9 of Title 4 of the Code of Laws of South Carolina, 1976, as amended (the "Code") and known as the Johnsonville Rural Fire District (the "Prior District"). The County has

determined to dissolve the Prior District pursuant to Section 4-9-30(5)(e) contingent upon its creation and reestablishment as a special tax fire district under the Enabling Act in order to ensure the structure and administration is consistent with general law and the structure and administration of other special tax fire districts in the County.

Section 1.03

Council has therefore found that it is in the best interests of the County and the Johnsonville Rural Area to create and reestablish the Johnsonville Rural Fire District as created and reestablished under the Enabling Act (the "District"), to approve the continuation of the annual levy and collection of ad valorem taxes for the operation and maintenance of the District, and to continue the authorization of the County to issue, from time to time by ordinance subsequent hereto, general obligations bonds of the County to finance capital improvements within the District.

Section 1.04

Prior to the designation of an area as a service area or district as authorized by the provisions of the Enabling Act, the Council is required to conduct a public hearing after notice of such hearing has been published in a newspaper of general circulation in the County for three successive weeks prior to the date of the public hearing. In accordance with such requirement, the Council adopted a resolution on February 17, 2011, the provisions of which ordered that a public hearing be held on March 17, 2011 upon the question of the creation of the District. Notice of this hearing was published in the *Morning News* once a week during each of the three weeks prior to the public hearing and included the time, date and location of the hearing as well as a description of the proposed areas (1) within which fire protection services will be rendered and (2) within which ad valorem taxes will be levied in order that sufficient moneys may be raised to defray the cost of operation and maintenance with regard to such services; and (3) within which ad valorem taxes will be levied to pay general obligation bonds of the County payable from an ad valorem tax levied therein for the purpose of providing fire protection.

Section 1.05

The Council specifically finds that the establishment of the District satisfies the requirements and conditions of §§4-19-10 and 4-19-20 of the Enabling Act and is now minded, in accordance with the specific authorization of §4-19-10(b) of the Enabling Act, to create and reestablish the District to include the Johnsonville Rural Area so that the District will comprise, embrace, and consist of the area contained within the boundaries of Florence County School District No. 5, less and except the area within the municipal boundaries of the City of Johnsonville.

ARTICLE II

CREATION AND REESTABLISHMENT OF JOHNSONVILLE RURAL FIRE DISTRICT

Section 2.01

There is hereby created the Johnsonville Rural Fire District, which shall comprise, embrace, and consist of the area contained within the boundaries of Florence County School District No. 5, less and except the area within the municipal boundaries of the City of Johnsonville. Reference is made to the

Florence County Tax Map maintained by the Florence County Tax Assessor for a metes and bounds description of each such Tax Map Block.

ARTICLE III

REAUTHORIZATION TO LEVY AND COLLECT AD VALOREM TAXES AND TO IMPOSE RATES AND CHARGES FOR OPERATION AND MAINTENANCE

Section 3.01

In order to provide for the operation and maintenance of the function of the District, there is hereby reauthorized an annual levy by the Auditor of Florence County and the collection by the Treasurer of Florence County of an ad valorem tax for each fiscal year as the Council may determine for the operation and maintenance of the District. Pursuant to this Ordinance, for fiscal year 2012 said levy within the District for operation and maintenance of the District shall be 25 mills plus any additional millage amount by which such millage may be increased using the formula prescribed in 6-1-320 of the Code of Laws of South Carolina 1976, as amended. For all fiscal years subsequent to fiscal year 2012, the levy within the District for the operation and maintenance of the District shall be as prescribed in the County's annual budget.

Section 3.02

In addition to or in lieu of the levy of ad valorem taxes, Council may authorize the imposition of appropriate rates and charges within the District for operation and maintenance of the District.

ARTICLE IV

AUTHORIZATION TO ISSUE GENERAL OBLIGATION BONDS ON BEHALF OF THE DISTRICT

Section 4.01

In order to provide for the facilities of the District, the County may issue, without election and from time to time, general obligation bonds by the County on behalf of the District, such bonds to be payable from ad valorem taxes collected within the District.

ARTICLE V

ADMINISTRATION OF THE DISTRICT

Section 5.01

The affairs of the District shall be administered by a Board of Commissioners consisting of 5 members appointed by Council. Appointments to the Board of Commissioners shall be made by Council upon the recommendation of the members of Council whose Council districts are contained wholly or in

part within the District. Each member of the Board of Commissioners must reside within the District. The initial Board of Commissioners of the District shall be the Board of Commissioners of the Prior District serving at the time of the dissolution of the Prior District, with such terms as were in effect at such time. The Board of Commissioners shall meet not less than four times each year, and shall report to Council not less than once each year. The Board of Commissioners shall annually elect such officers as it deems necessary. The members of the Board of Commissioners of the District shall serve without pay.

Section 5.02

The Board of Commissioners shall have authority over the operation and function of the District, subject to the authority of Council.

Section 5.03

The Board of Commissioners shall submit to the County the District's budget for the upcoming fiscal year no later than April 30th of each year.

Section 5.04

Council may by appropriate action subsequently provide for a different form of administration of the District, including the operation of the District as an administrative division of the County as provided for in Section 4-19-20(4) of the Enabling Act.

ARTICLE VI

PUBLIC HEARING

Section 6.01

In accordance with Section 4-19-20 of the Enabling Act, a public hearing was held prior to the third and final reading of this Ordinance.

ARTICLE VII

NOTICE OF ACTION TAKEN

Section 7.01

In accordance with Section 4-19-20 of the Enabling Act, there shall be provided a notice of the action of the Council in adopting this Ordinance, which notice shall be published for two successive weeks in the *Morning News*. The form of this notice is attached hereto as "Exhibit A."

ARTICLE VIII

SAVING PROVISION

Section 8.01

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of the Ordinance.

ARTICLE IX

DIRECTION TO INDEX

Section 9.01
