(Authorizing A Fee In Lieu Of Tax Agreement Between Florence County And Project Rosebud)

WHEREAS:

1. Florence County, South Carolina (the "County"), acting by and through its County Council (the "County Council") is authorized and empowered under and pursuant to the provisions of Title 12, Chapter 44, Code of Laws of South Carolina, 1976, as amended (the "Act"), to enter into a fee in lieu of tax agreement (the "Fee Agreement") with respect to a project which requires the industry to make a payment of a fee in lieu of taxes, through which powers the industrial development of the State of South Carolina and the County will be promoted and trade developed by inducing manufacturing and commercial enterprises to locate and remain in the State of South Carolina and the County and thus to utilize and employ the manpower, products, and natural resources of the State of South Carolina to benefit the general public welfare of the County by providing services, employment, and other public benefits not otherwise provided locally; and
2. Project Rosebud and/or its subsidiaries, affiliates, successors, assigns, sponsors, lessors, and others (collectively, the "Company"), desire to invest capital in the County in order to establish a manufacturing, engineering, logistics, and distribution facility in the County (the "Project"); and
3. The Project is anticipated to result in an investment of at least \$40,000,000 and the creation of at least 360 new full-time jobs with an average wage of \$25.00 per hour (inclusive of any bonus payments but excluding benefits); and
4. The Company has requested that the County enter into a Fee Agreement, thereby providing for a fee in lieu of tax ("FILOT") and infrastructure and/or special source revenue credit ("SSRC") with respect to the Project; and
5. The County has determined on the basis of the information supplied to it by the Company that the Project would be a "project" and "economic development property" as such terms are defined in the Act and that the Project would serve the purposes of the Act; and
6. Pursuant to Article VIII, Section 13 of the South Carolina Constitution and Section 4-1-170 of the Code of Laws of South Carolina, 1976, as amended, the County agrees to use its best efforts to ensure that the Project is located in a multi-county industrial and business park established, or to be established, by the County (the "Park") pursuant to a qualifying agreement with one or more contiguous South Carolina counties (the "Park Agreement").

SECTION I: The County Council hereby finds that: (i) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (ii) the Project gives rise to no pecuniary liability of the County or a charge against its general credit or taxing power; (iii) the purposes to be accomplished by the Project are proper governmental and public purposes and the inducement of the location of the Project within South Carolina is of paramount importance and the benefits of the Project to the public are greater than the cost (which latter finding has been made using an appropriate cost-benefit analysis); and (iv) it has evaluated the Project considering all relevant and required factors, including, but not limited to, the anticipated dollar amount and nature of the investment to be made and the anticipated costs and benefits to the County, and all other criteria prescribed by law.

SECTION II: The County hereby agrees to enter into a fee in lieu of tax arrangement with the Company under the Act. The County agrees to provide for a fee in lieu of *ad valorem* taxes ("FILOT") for a period of 30 years for each component of the Project placed in service during the investment period (the "FILOT Term") under the Act. The FILOT shall be calculated using a 6% assessment ratio and a fixed millage rate equal to 295.0 mills for a period of 30 years, for each component of the Project placed in service during the FILOT Term.

SECTION III: The further details of the FILOT and the SSRC shall be prescribed by ordinance of the County to be adopted in accordance with South Carolina law and the rules and procedures of the County.

SECTION IV: The County agrees to use its best efforts to include the Property in a Park for at least the longer of a 30-year period or the period of time the FILOT arrangement is in place.

"Industrial Development Park" shall mean the industrial or business park developed by two or more counties as defined in Section 4-1-170 of the Code of Laws of South Carolina, 1976, as amended.

"Infrastructure" shall mean infrastructure serving the Project, including the Improvements, to the extent that the MCIP Act permits.

"Infrastructure Credit" (also commonly referred to as a "Special Source Revenue Credit" or "SSRC") shall mean the annual infrastructure credit provided to the Company pursuant to the MCIP Act and Section 4.1(c) hereof, with respect to the Infrastructure.

"Investment Period" shall mean the period beginning with the first day of any purchase or acquisition of Economic Development Property and ending five years after the Commencement Date, provided that the Company and the County may agree to a later date pursuant to Section 12-44-30(13) of the Act.

"MCIP Act" shall mean Section 4-1-170 *et seq.* and Section 4-29-68 of the Code of Laws of South Carolina, 1976, as amended.

"Phase" or "Phases" in respect of the Project shall mean that the Equipment, Improvements, and/or Real Property of the Project are placed in service during more than one year in the Investment Period, and the word "Phase" shall therefore refer to the applicable portion of the Project placed in service in a given year in the Investment Period.

"Project" shall mean all the Equipment, Improvements, and/or Real Property located on the Real Property in the County and that the Company determines to be necessary, suitable, or useful for the purposes that Section 2.2(b) describes, and first placed in service in calendar year 2011 or thereafter. The Project shall not include existing buildings and improvements on the Real Property, as of the date of the commencement of the Project by the Company, and any machinery and equipment which have previously been subject to South Carolina *ad valorem* taxation, except as authorized by Section 12-44-110 of the Act.

"Real Property" shall mean real property that the Company uses or will use in the County for the purposes that Section 2.2(b) describes, and generally located on the land identified on Exhibit A hereto, together with all and singular the rights, members, hereditaments, and appurtenances belonging or in any way incident or appertaining thereto.

"Removed Components" shall mean the following types of components or Phases of the Project or portions thereof which are subject to FILOT payments, all of which the Company shall be entitled to remove from the Project with the result that the same shall no longer be subject to the terms of the Fee Agreement: (a) components or Phases of the Project or portions thereof which the Company, in its sole discretion, determines to be inadequate, obsolete, worn-out, uneconomic, damaged, unsuitable, undesirable, or unnecessary pursuant to Section 4.6 hereof or otherwise; or (b) components or Phases of the Project or portions thereof which the Company in its sole discretion, elects to be treated as removed pursuant to Section 4.7(c) or Section 4.8(b)(iii) of this Fee Agreement.

"Replacement Property" shall mean any property which is placed in service as a replacement for any item of Equipment, any Improvement, or any Real Property previously subject to this Fee Agreement regardless of whether such property serves the same functions as the property it is replacing and regardless of whether more than one piece of property replaces any item of Equipment, any Improvement, or any Real Property, to the fullest extent that the Act permits.

"Termination Date" shall mean in case the entire Project is placed in service in one year, the end of the last day of the property tax year which is the 29th year following the first property tax year in which the entire Project is placed in service, or in case there are Phases of the Project, the Termination Date shall mean with respect to each Phase of the Project the end of the last day of the property tax year which is the 29th year following the first property tax year in which such Phase of the Project is placed in service, provided, that the intention of the parties is that the Company will make at least 30 annual FILOT payments under Article IV hereof with respect to each Phase of the Project and provided further, that if this Fee Agreement is terminated earlier in accordance with the terms hereof, the Termination Date is the date of such termination.

Section 1.2 Any reference to any agreement or document in this Article I or otherwise in this Fee Agreement shall include any and all amendments, supplements, addenda, and modifications to such agreement or document.

Section 1.3 The term "investment" or "invest" as used herein shall include not only investments made by the Company, but also to the fullest extent permitted by law, those investments made by or for the benefit of the Company in connection with the Project through federal, state, or local grants, to the extent such investments are subject to *ad valorem* taxes or FILOT payments by the Company.

ARTICLE II

REPRESENTATIONS, WARRANTIES, AND AGREEMENTS

Section 2.1 Representations, Warranties, and Agreements of the County. The County hereby represents, warrants, and agrees as follows:

(a) The County is a body politic and corporate and a political subdivision of the State and acts through the County Council as its governing body. The Act authorizes and empowers the County to enter into the transactions that this Fee Agreement contemplates and to carry out its obligations hereunder. The County has duly authorized the execution and delivery of this Fee Agreement and any and all other agreements described herein or therein and has obtained all consents from third parties and taken all actions necessary or that the law requires to fulfill its obligations hereunder.

(b) Based upon representations by the Company, the Project constitutes a "project" within the meaning of the Act, and the County is a County that the Act authorizes to enter into fee in lieu of tax agreements with companies that satisfy the Act Minimum Investment Requirement within the County.

(c) The County has agreed that each item of real and tangible personal property comprising the Project which is eligible to be economic development property under the Act and that the Company selects shall be considered Economic Development Property and is thereby exempt from *ad valorem* taxation in South Carolina.

(d) The millage rate in Section 4.1 hereof is 295.0 mills.

(e) The County will not be in default in any of its obligations (contractual or otherwise), including any violation of its statutory debt limit, as a result of entering into and performing under this Fee Agreement and/or as a result of creating an Industrial Development Park encompassing the Project.

(f) The County will use its best efforts to include the Project in an Industrial Development Park.

Section 2.2 Representations, Warranties, and Agreements of the Company. The Company hereby represents, warrants, and agrees as follows:

(a) The Company is in good standing under the laws of the State of New Jersey, is duly authorized to transact business in the State of South Carolina, has power to enter into this Fee Agreement, and has duly authorized the execution and delivery of this Fee Agreement.

(b) The Company intends to operate the Project as a "project" within the meaning of the Act as in effect on the date hereof. The Company intends to operate the Project as a manufacturing, engineering, logistics, and distribution facility, and for such other purposes that the Act permits as the Company may deem appropriate.

(c) The Company will use commercially reasonable efforts to ensure that its investment in Economic Development Property of the Project will exceed the Act Minimum Investment Requirement.

ARTICLE III

COMMENCEMENT AND COMPLETION OF THE PROJECT

Section 3.1 The Project. The Company intends to invest in Equipment, Improvements, and/or Real Property, which together comprise the Project and which are anticipated to create at least the Act Minimum Investment Requirement in eligible Economic Development Property investment subject to Payments in Lieu of Taxes in the County.

Pursuant to the Act and subject to Section 4.2 hereof, the Company and the County hereby agree that the Company shall identify annually those assets which are eligible for FILOT payments under the Act and which the Company selects for such treatment by listing such assets in its annual PT-300S form (or comparable form) to be filed with the Department (as such may be amended from time to time) and that by listing such assets, such assets shall automatically become Economic Development Property and therefore be exempt from all *ad valorem* taxation during the Exemption Period. Anything contained in this Fee Agreement to the contrary notwithstanding, the Company shall not be obligated to complete the acquisition of the Project. However, if the Company does not meet the Act Minimum Investment Requirement, this Fee Agreement shall be terminated as provided in Section 4.2 hereof.

Section 3.2 Diligent Completion. The Company agrees to use its reasonable efforts to cause the completion of the Project as soon as practicable, but in any event on or prior to the end of the Investment Period.

Section 3.3 Filings and Reports.

(a) Each year during the term of the Fee Agreement, the Company shall deliver to the County, the County Auditor, the County Assessor, and the County Treasurer, a copy of its most recent annual filings with the Department with respect to the Project, not later than 30 days following delivery thereof to the Department.

(b) The Company shall cause the filing of a copy of this Fee Agreement, as well as a copy of the completed Form PT-443 of the Department, to be filed with the County Auditor and the County Assessor of the County and any partner county, when the Project is

placed in a joint county industrial and business park, and the Department within 30 days after the date of execution and delivery hereof by all parties hereto.

ARTICLE IV

PAYMENTS IN LIEU OF TAXES

Section 4.1 Negotiated Payments; Infrastructure Credits.

(a) Pursuant to Section 12-44-50 of the Act, the Company is required to make payments in lieu of *ad valorem* taxes to the County with respect to the Economic Development Property. Inasmuch as the Company anticipates an initial investment of sums sufficient for the Project to qualify for a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the Act, the County and the Company have negotiated the amount of the FILOT Payments in accordance therewith. The Company shall make FILOT Payments on all Economic Development Property which comprises the Project and is placed in service, as follows: the Company shall make FILOT Payments during the Exemption Period with respect to the Economic Development Property or, if there are Phases of the Economic Development Property, with respect to each Phase of the Economic Development Property, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for *ad valorem* taxes. The determination of the amount of such annual FILOT Payments shall be in accordance with the following procedure (subject, in any event, to the procedures that the Act requires):

Step 1: Determine the fair market value of the Economic Development Property (or Phase of the Economic Development Property) placed in service during the Exemption Period using original income tax basis for State income tax purposes for any Real Property and Improvements without regard to depreciation (provided, the fair market value of real property, as the Act defines such term, that the Company obtains by construction or purchase in an arms length transaction is equal to the original income tax basis, and otherwise the determination of the fair market value is by appraisal) and original income tax basis for State income tax purposes for any personal property less depreciation for each year allowable for property tax purposes, except that no extraordinary obsolescence shall be allowable. The fair market value of the Real Property for the first year of the Fee Term remains the fair market value of the Real Property for the life of the Fee Term, which should be its purchase price paid by the Company. The determination of these values shall take into account all applicable property tax exemptions that State law would allow to the Company if the property were taxable, except those exemptions that Section 12-44-50(A)(2) of the Act specifically disallows.

Step 2: Apply an assessment ratio of six percent (6%) to the fair market value in Step 1 to establish the taxable value of the Economic Development

Property (or each Phase of the Economic Development Property) in the year it is placed in service and in each of the 29 years thereafter.

Step 3: Apply a fixed millage rate equal to 295.0 mills, in accordance with Section 12-44-50(A)(1)(d) of the Act, during the Exemption Period against the taxable value to determine the amount of the Payments in Lieu of Taxes due during the Exemption Period on the payment dates that the County prescribes for such payments or such longer period of years in which the Act permits the Company to make annual fee payments.

(b) The FILOT Payments shall be in lieu of all *ad valorem* tax payments and any other charges that would have appeared on the property tax bills otherwise generated by the County in the absence of this Fee Agreement.

In the event that a final order of a court of competent jurisdiction from which no further appeal is allowable declares the Act and/or the herein-described Payments in Lieu of Taxes invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions to reform such payments so as to effectuate most closely the intent hereof and so as to afford the Company with the benefits to be derived herefrom, the intention of the County being to offer the Company a strong inducement to locate the Project in the County. If the Economic Development Property is deemed to be subject to *ad valorem* taxation, this Fee Agreement shall terminate, and the Company shall pay the County regular *ad valorem* taxes from the date of termination, but with appropriate reductions equivalent to all tax exemptions which are afforded to the Company. Any amount determined to be due and owing to the County from the Company, with respect to a year or years for which the Company previously remitted Payments in Lieu of Taxes to the County hereunder, shall (i) take into account all applicable tax exemptions to which the Company would be entitled if the Economic Development Property was not and had not been Economic Development Property under the Act; and (ii) be reduced by the total amount of Payments in Lieu of Taxes the Company had made with respect to the Project pursuant to the terms hereof.

(c) The County agrees that all qualifying capital expenses of the Company during the Investment Period (including property subject to negotiated FILOT payments under this Fee Agreement and property that would constitute part of the Project but for the requirements of Section 12-44-110 of the Act) shall qualify for Infrastructure Credits. The Company shall receive annual Infrastructure Credits in amounts equal to 90% of the FILOT payments for the Project during years 1-5, 75% of the FILOT payments for the Project during years 6-15, and 50% of the FILOT payments for the Project during years 16-30, to offset the aggregate Infrastructure costs incurred. For purposes of this Section 4.1(c), FILOT payments include payments in lieu of taxes with respect to property that would constitute part of the Project but for the requirements of Section 12-44-110 of the Act. The Infrastructure Credits shall be applied as setoffs against the FILOT or payments in lieu of taxes owed for each year and shall be subject to the requirements of Section 4.2 below.

Section 4.2 Failure to Achieve Act Minimum Investment Requirement; Failure to Achieve or Maintain Clawback Minimum Requirements.

(a) In the event that the cost of the Economic Development Property (without regard to depreciation) that the Company acquires does not reach the Act Minimum Investment Requirement by the end of the Investment Period, this Fee Agreement shall terminate as to such entity failing to meet the minimum investment level. In such event, the Company shall pay the County an amount (the "Additional Payment") pursuant to the Act which is equal to the excess, if any, of (i) the total amount of *ad valorem* taxes as would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the items of property comprising the Economic Development Property were not Economic Development Property, but with appropriate reductions equivalent to all tax exemptions and abatements to which the Company would be entitled in such a case, through and including the end of the Investment Period, over (ii) the total amount of FILOT payments the Company has made with respect to the Economic Development Property through and including the end of the Investment Period. Any amounts determined to be owed pursuant to the foregoing sentence shall be subject to the minimum amount of interest that the Act may require.

(b) In the event that the Company does not satisfy the Clawback Minimum Requirements as of the end of the Investment Period, the Infrastructure Credits shall be reduced by the Reduction Factor (as defined below), prospectively and retroactively. With respect to Infrastructure Credits already received, the Company shall repay to the County an amount equal to the product of (1) the Infrastructure Credits already received and (2) the Reduction Factor, together with interest at the statutory rate applicable to the late payment of property taxes.

On every fifth anniversary of the Investment Period (the end of the Investment Period and each fifth anniversary thereafter, a "Measurement Date"), if the Company does not satisfy the Clawback Minimum Requirements at such time, and if the Overall Achievement Percentage has declined (using the investment and employment figures as of such Measurement Date rather than as of the end of the Investment Period) since the prior Measurement Date, the Infrastructure Credits shall be adjusted prospectively and retroactively (for the prior five-year period) in the same manner. The Company shall report to the County on its compliance with the Clawback Minimum Requirements and any required adjustments under this Section 4.2(b) within 90 days after each Measurement Date.

The "Reduction Factor" shall equal 100% minus the "Overall Achievement Percentage."

The "Overall Achievement Percentage" shall equal the average of the "Investment Achievement Percentage" and the "Job Achievement Percentage."

The "Investment Achievement Percentage" shall equal the Company's investment in property subject to *ad valorem* taxation (in the absence of this Fee Agreement and/or the Industrial Development Park) in the County in connection with the Project as of the end of the Investment Period (without regard to depreciation), divided by \$40,000,000 (but not to exceed 100%).

The "Job Achievement Percentage" shall equal the number of new, full time jobs created by the Company in the County in connection with the Project with an average wage of \$25.00 per hour (inclusive of any bonus payments but excluding benefits) as of the end of the Investment Period, divided by 360 (but not to exceed 100%).

For example, and by way of example only, if the Company's investment in property subject to ad valorem taxation (in the absence of this Fee Agreement and/or the Industrial Development Park) in the County in connection with the Project as of the end of the Investment Period is \$30,000,000 and the number of new, full time jobs created by the Company in the County in connection with the Project with an average wage of \$25.00 per hour (inclusive of any bonus payments but excluding benefits) as of the end of the Investment Period is 308, then the Reduction Factor would be calculated as follows:

"Job Achievement Percentage" = $288 / 360 = 80\%$

"Investment Achievement Percentage" = $\$30,000,000 / \$40,000,000 = 75\%$

"Overall Achievement Percentage" = $(75\% + 80\%) / 2 = 77.5\%$

"Reduction Factor" = $100\% - 77.5\% = 22.5\%$.

Section 4.3 Payments in Lieu of Taxes on Replacement Property. If the Company elects to replace any Removed Components and to substitute such Removed Components with Replacement Property as a part of the Economic Development Property, or the Company otherwise utilizes Replacement Property, then, pursuant and subject to Section 12-44-60 of the Act, the Company shall make statutory payments in lieu of *ad valorem* taxes with regard to such Replacement Property in accordance with the following:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest Economic Development Property subject to the Fee, whether real or personal, which is disposed of in the same property tax year in which the Replacement Property is placed in service. Replacement Property qualifies as Economic Development Property only to the extent of the original income tax basis of Economic Development Property which is being disposed of in the same property tax year. More than one piece of property can replace a single piece of Economic Development Property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to annual payments calculated as if the exemption for Economic Development Property were not allowable (provided that this Section 4.3 shall not preclude the inclusion of such property as part of the Project and eligible for FILOT treatment if such property is placed in service during the Investment Period). Replacement Property is entitled to treatment under the Fee Agreement for the period of time remaining during the Exemption Period for the Economic Development Property which it is replacing; and

(ii) The new Replacement Property which qualifies for the Fee shall be recorded using its income tax basis, and the calculation of the Fee shall

utilize the millage rate and assessment ratio in effect with regard to the original property subject to the Fee.

Section 4.4 Reductions in Payments of Taxes Upon Removal, Condemnation, or Casualty. In the event of a Diminution in Value of the Economic Development Property or any Phase of the Economic Development Property, the Payment in Lieu of Taxes with regard to the Economic Development Property or that Phase of the Economic Development Property shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of the Economic Development Property or that Phase of the Economic Development Property as determined pursuant to Step 1 of Section 4.1(a) hereof; *provided, however*, that if at any time subsequent to the end of the Investment Period, the total value of the Project based on the original income tax basis of the Equipment, Real Property, and Improvements contained therein, without deduction for depreciation, is less than the Act Minimum Investment Requirement, beginning with the first payment thereafter due hereunder and continuing until the end of the Fee Term, the Company shall no longer be entitled to the incentives provided in Section 4.1, and the Company shall therefore commence to pay regular *ad valorem* taxes on the Economic Development Property part of the Project.

Section 4.5 Place and Allocation of Payments in Lieu of Taxes. The Company shall make the above-described Payments in Lieu of Taxes directly to the County in accordance with applicable law.

Section 4.6 Removal of Equipment. Subject, always, to the other terms and provisions hereof, the Company shall be entitled to remove and dispose of components or Phases of the Project from the Project in its sole discretion with the result that said components or Phases shall no longer be considered a part of the Project and, to the extent such constitute Economic Development Property, shall no longer be subject to the terms of this Fee Agreement to the fullest extent allowed by the Act, as amended. Economic Development Property is disposed of only when it is scrapped or sold or it is removed from the Project. If it is removed from the Project, it is subject to *ad valorem* property taxes to the extent the Property remains in the State and is otherwise subject to *ad valorem* property taxes.

Section 4.7 Damage or Destruction of Economic Development Property.

(a) Election to Terminate. In the event the Economic Development Property is damaged by fire, explosion, or any other casualty, the Company shall be entitled to terminate this Fee Agreement. The Company shall only be required to make FILOT payments as to all or any part of the tax year in which the damage or casualty occurs to the extent property subject to *ad valorem* taxes would otherwise have been subject to such taxes under the same circumstances for the period in question.

(b) Election to Rebuild. In the event the Economic Development Property is damaged by fire, explosion, or any other casualty, and if the Company does not elect to terminate this Fee Agreement, the Company may commence to restore the Economic Development Property with such reductions or enlargements in the scope of the Economic Development Property, changes, alterations, and modifications (including the substitution and addition of other property) as may be desired by the Company. All such restorations and replacements shall be

considered, to the fullest extent permitted by law and this Fee Agreement, substitutions of the destroyed portions of the Economic Development Property and shall be considered part of the Economic Development Property for all purposes hereof, including, but not limited to, any amounts due by the Company to the County under Section 4.1 hereof.

(c) Election to Remove. In the event the Company elects not to terminate this Fee Agreement pursuant to subsection (a) and elects not to rebuild pursuant to subsection (b), the damaged portions of the Economic Development Property shall be treated as Removed Components.

Section 4.8 Condemnation.

(a) Complete Taking. If at any time during the Fee Term title to or temporary use of the Economic Development Property should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation, or the right of eminent domain; by voluntary transfer under threat of such taking; or by a taking of title to a portion of the Economic Development Property which renders continued use or occupancy of the Economic Development Property commercially unfeasible in the judgment of the Company, the Company shall have the option to terminate this Fee Agreement by sending written notice to the County within a reasonable period of time following such vesting. The Company shall only be required to make FILOT payments as to all or any part of the tax year in which the taking occurs to the extent property subject to *ad valorem* taxes would otherwise have been subject to such taxes under the same circumstances for the period in question.

(b) Partial Taking. In the event of a partial taking of the Economic Development Property or a transfer in lieu thereof, the Company may elect: (i) to terminate this Fee Agreement; (ii) subject to the Act and the terms and provisions of this Fee Agreement, to repair and restore the Economic Development Property, with such reductions or enlargements in the scope of the Economic Development Property, changes, alterations, and modifications (including the substitution and addition of other property) as the Company may desire, and all such changes, alterations, and modifications shall be considered as substitutions of the taken parts of the Economic Development Property; or (iii) to treat the portions of the Economic Development Property so taken as Removed Components.

(c) The Company shall only be required to make FILOT payments as to all or any part of the tax year in which the taking occurs to the extent property subject to *ad valorem* taxes would otherwise have been subject to such taxes under the same circumstances for the period in question.

Section 4.9 Confidentiality/Limitation on Access to Project. The County acknowledges and understands that the Company utilizes confidential and proprietary processes and materials, services, equipment, trade secrets, and techniques (herein "Confidential Information") and that any disclosure of Confidential Information concerning the Company's operations may result in substantial harm to the Company and could thereby have a significant detrimental impact on the Company's employees and also upon the County. The Company acknowledges that the County is subject to the Freedom of Information Act, and, as a result, must disclose certain documents and information on request absent an exemption. For these

reasons, the Company shall clearly label all Confidential Information it delivers to the County "Confidential Information." Therefore, the County agrees that, except as required by law, neither the County nor any employee, agent, or contractor of the County shall (i) request or be entitled to receive any such Confidential Information, or (ii) disclose or otherwise divulge any such Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by law; provided, however, that the County shall have no less rights concerning information relating to the Project and the Company than concerning any other property or property taxpayer in the County, and, provided further, that the confidentiality of such confidential or proprietary information is clearly disclosed to the County in writing as previously described. Prior to disclosing any Confidential Information, subject to the requirements of law, the Company may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees, or agents of the County or any supporting or cooperating governmental agencies who would gather, receive, or review such information. In the event that the County is required to disclose any Confidential Information obtained from the Company to any third party, the County agrees to provide the Company with as much advance notice as possible of such requirement before making such disclosure, and to cooperate reasonably with any attempts by the Company to obtain judicial or other relief from such disclosure requirement.

Section 4.10 Assignment. If Section 12-44-120 of the Act or any successor provision requires consent to an assignment, the Company may assign this Fee Agreement in whole or in part with the prior written consent of the County or a subsequent written ratification by the County, in either event not to be unreasonably withheld. The Company agrees to notify the County and the Department of the identity of such transferee within 60 days of the transfer. In case of a transfer, the transferee assumes the transferor's basis in the Project for purposes of calculating the Fee.

Section 4.11 No Double Payment.

(a) Notwithstanding anything contained herein to the contrary, and except as expressly required by law, the Company shall not be required to make a Payment in Lieu of Taxes in addition to a regular property tax payment in the same year over the same piece of property, and the Company shall not be required to make a Payment in Lieu of Taxes on property in cases where, absent this Fee Agreement, property taxes would otherwise not be due on such property.

Section 4.12 Administration Expenses.

(a) The Company agrees to pay the reasonable and necessary expenses that the County incurs with respect to the execution and administration of this Fee Agreement, including without limitation reasonable and actual attorneys' fees (the "Administration Expenses"). As used in this section, "Administration Expenses" shall include the reasonable and necessary out-of-pocket expenses, including attorneys' fees, incurred by the County with respect to: (i) this Fee Agreement; (ii) the Industrial Development Park; (iii) state grand funding for the benefit of the Company; (iv) all other documents related to this Fee Agreement, the Industrial Development Park, state grand funding for the benefit of the Company, and any related documents; (v) the fulfillment of its obligations under this Fee Agreement, the Industrial

Development Park, state grand funding for the benefit of the Company, and any related documents and the implementation and administration of the terms and provisions of the documents after the date of execution thereof.

(b) A representation or warranty made by the Company which is deemed materially incorrect when deemed made; or

(c) Failure by the Company to perform any of the terms, conditions, obligations, or covenants hereunder (other than those under (a) above), which failure shall continue for a period of 30 days after written notice from the County to the Company specifying such failure and requesting that it be remedied, unless the Company shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the Company is diligently pursuing corrective action; or

(d) A representation or warranty made by the County which is deemed materially incorrect when deemed made; or

(e) Failure by the County to perform any of the terms, conditions, obligations, or covenants hereunder, which failure shall continue for a period of 30 days after written notice from the Company to the County specifying such failure and requesting that it be remedied, unless the County shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the County is diligently pursuing corrective action.

Section 5.2 Remedies on Default.

(a) Whenever any Event of Default by the Company shall have occurred and shall be continuing, the County may take any one or more of the following remedial actions:

(i) terminate the Fee Agreement; or

(ii) take whatever action at law or in equity may appear necessary or desirable to collect the amounts due hereunder; or

(iii) in case of a materially incorrect representation or warranty, take such action as is appropriate, including legal action, to recover its damages, to the extent allowed by law.

Section 5.3 Reimbursement of Legal Fees and Expenses and Other Expenses. Upon the occurrence of an Event of Default hereunder, should a party be required to employ attorneys or incur other reasonable expenses for the collection of payments due hereunder or for the enforcement of performance or observance of any obligation or agreement, the successful party shall be entitled, within 30 days of demand therefor, to reimbursement from the unsuccessful party of the reasonable fees of such attorneys and such other reasonable expenses so incurred.

(An Ordinance To Develop A Jointly Owned And Operated Industrial And Business Park In Conjunction With Williamsburg County, Such Industrial And Business Park To Be Initially Located In Florence County And Established Pursuant To Sec. 4-1-170 Of The Code Of Laws Of South Carolina, 1976, As Amended, To Provide For A Written Agreement With Williamsburg County To Provide For The Expenses Of The Park, The Percentage Of Revenue Application, And The Distribution Of Fees In Lieu Of Ad Valorem Taxation; And Other Matters Related Thereto.)

BE IT ORDAINED BY THE COUNTY COUNCIL OF FLORENCE COUNTY, SOUTH CAROLINA:

SECTION I: Florence County is hereby authorized to develop an industrial and business park jointly with Williamsburg County (the "Park"). The Park shall initially consist of land located only in Florence County as authorized by Sec. 4-1-170 of the Code of Laws of South Carolina, 1976, as amended.

SECTION II: Florence County will enter into a written agreement to develop the Park jointly with Williamsburg County in substantially the form attached hereto as Exhibit A and incorporated herein by reference (the "Park Agreement"). The Chairman of Florence County Council is hereby authorized to execute the Park Agreement on behalf of Florence County, with such changes thereto as the Chairman shall deem, upon advice of counsel, necessary, provided that such changes do not materially change the import of the matters contained in the form of agreement set forth in Exhibit A.

SECTION III: The businesses or industries located in the Park will pay a fee in lieu of *ad valorem* taxes as provided for in their respective FILOT agreements which fees will be divided between the two Counties as set forth in the Park Agreement. With respect to properties located in the Florence County portion of the Park, the fee paid in lieu of *ad valorem* taxes shall be paid to the Treasurer of Florence County. That portion of such revenues allocated pursuant to the Park Agreement to Williamsburg County shall be thereafter paid by the Treasurer of Florence County to the Treasurer of Williamsburg County as soon as practical but no later than forty-five (45) business days following receipt thereof. With respect to properties located in the Williamsburg County portion of the Park, the fee paid in lieu of *ad valorem* taxes shall be paid to the Treasurer of Williamsburg County. That portion of such revenues allocated pursuant to

the Park Agreement to Florence County shall be thereafter paid by the Treasurer of Williamsburg County to the Treasurer of Florence County as soon as practical but no later than forty-five (45) business days following receipt thereof. Penalties for late payment by taxpayers will be assessed at the same rate as late tax payments. Any late payment by the counties to each other beyond the dates set forth herein will accrue interest at the rate of statutory judgment interest. The counties, acting by and through the Treasurers of Florence County and Williamsburg County, shall maintain all liens and rights to foreclose upon liens provided for counties in the collection of *ad valorem* taxes.

SECTION IV: Any ordinances of Florence County and Williamsburg County concerning zoning, health and safety regulations, and building code requirements will apply for the respective portions of the Park in Florence County and Williamsburg County. In no event, for example, will the zoning, health and safety regulations, and building code requirements in Williamsburg County apply to property located solely in Florence County.

SECTION V: The Sheriffs' Departments of Florence County and Williamsburg County will have jurisdiction to make arrests and exercise all authority and power within the boundaries of the respective portions of the Park in Florence County and Williamsburg County.

SECTION VI: Revenues generated from industries or businesses located in the Park to be retained by Florence County pursuant to the Park Agreement shall be distributed within Florence County in the following manner:

First, unless Florence County elects to pay or credit the same from only those revenues which Florence County would otherwise be entitled to receive as provided under "Third" below, to pay annual debt service on any special source revenue bonds issued by Florence County pursuant to, or to be utilized as a credit in the manner provided in the second paragraph of, Section 4-1-175, Code of Laws of South Carolina, 1976, as amended, or any successor statutes or provisions, payable in whole or in part by or from revenues generated from any properties in the Park;

Second, at the option of Florence County, to reimburse Florence County for any expenses incurred by it in the development, operation, maintenance and promotion of the Park or the businesses located therein and to fund economic development activities (including any incentives provided to industries and businesses) inside and outside the Park as determined by the County Council of Florence County from time to time; and

Third, to taxing districts within Florence County, in a pro-rata fashion based on comparative millage rates for the year in question of such taxing districts;

provided, that (i) all taxing districts which overlap the applicable properties in the Park shall receive some portion of the revenues generated from such properties; (ii) all revenues receivable by a taxing entity in a fiscal year shall be allocated to operations and maintenance and to debt service as determined by the governing body of such taxing entity; and (iii) the County may, by

Exhibit A

Form of Park Agreement

DRAFT

1. Binding Agreement. This Agreement serves as a written instrument setting forth the entire agreement between the parties and is binding on Williamsburg County and Florence County, and their successors and assigns.

2. Authorization. Article VIII, Section 13(D) of the South Carolina Constitution provides that counties may jointly develop an industrial or business park with other counties within the geographical boundaries of one or more of the member counties, provided that certain conditions specified therein are met and that the General Assembly of the State of South Carolina provides by law a manner in which the value of property in such park will be considered for purposes of bonded indebtedness of political subdivisions and school districts and for purposes of computing the index of taxpaying ability pursuant to any provision of law which measures the relative fiscal capacity of a school district to support its schools based on the assessed valuation of taxable property in the district as compared to the assessed valuation of taxable property in all school districts in the State of South Carolina. Section 4-1-170 of the Code satisfies the conditions imposed by Article VIII, Section 13(D) of the Constitution and provides the statutory vehicle whereby a joint county industrial or business park may be created.

3. Location of the Park. (A) As of the date of this Agreement, the Park consists of property located in Florence County, as further identified in Exhibit A (Florence) to this Agreement. It is specifically recognized that the Park may, from time to time, consist of non-contiguous properties within each county. The boundaries of the Park may be enlarged or diminished from time to time as authorized by ordinances of the County Councils of both Williamsburg County and Florence County. If any property proposed for inclusion in the Park, in whole or in part, is located within the boundaries of a municipality, then the municipality must give its consent prior to the inclusion of such property in the Park. At this time there are no properties within the boundaries of a municipality.

(B) In the event of any enlargement or diminution of the boundaries of the Park, this Agreement shall be deemed amended and there shall be attached hereto a revised Exhibit A (Florence) or Exhibit B (Williamsburg), as the case may be, which shall contain a legal description of the boundaries of the Park, as enlarged or diminished, together with a copy of the ordinances of Williamsburg County Council and Florence County Council pursuant to which such enlargement or diminution was authorized.

(C) Prior to the adoption by Williamsburg County Council and by Florence County Council of ordinances authorizing the diminution of the boundaries of the Park, separate public hearings shall first be held by Williamsburg County Council and by Florence County Council. Notice of such public hearings shall be published in newspapers of general circulation in Williamsburg County and Florence County, respectively, at least once and not less than fifteen (15) days prior to such hearing. Notice of such public hearings shall also be served in the manner of service of process at least fifteen (15) days prior to such public hearing upon the owner and, if applicable, the lessee of any real property which would be excluded from the Park by virtue of the diminution.

4. Fee in Lieu of Taxes. Pursuant to Article VIII, Section 13(D), of the South Carolina Constitution, all property located in the Park is exempt from all *ad valorem* taxation. The owners or lessees of any property situated in the Park shall pay in accordance with this Agreement an amount (referred to as fees in lieu of *ad valorem* property taxes) equivalent to the *ad valorem* property taxes or other in-lieu-of payments that would have been due and payable but for the location of such property within the Park.

5. Allocation of Expenses. Williamsburg County and Florence County shall bear any expenses, including, but not limited to, development, operation, maintenance and promotion of the Park and the cost of providing public services, in the following proportions:

If property is in the Williamsburg County portion of the Park:

(1)	Williamsburg County	100%
(2)	Florence County	0%

If property is in the Florence County portion of the Park:

(1)	Williamsburg County	0%
(2)	Florence County	100%

6. Allocation of Revenues. Williamsburg County and Florence County shall receive an allocation of revenue generated by the Park through payment of fees in lieu of *ad valorem* property taxes in the following proportions:

If property is in the Williamsburg County portion of the Park:

(1)	Williamsburg County	99%
(2)	Florence County	1%

If property is in the Florence County portion of the Park:

(1)	Williamsburg County	1%
(2)	Florence County	99%

7. Revenue Allocation Within Each County. (A) Revenues generated by the Park through the payment of fees in lieu of *ad valorem* property taxes shall be distributed to Williamsburg County and to Florence County, as the case may be, according to the proportions established by Paragraph 6 of this Agreement. With respect to revenues allocable to Williamsburg County or Florence County by way of fees in lieu of taxes generated from property located within its own County (the "Host County"), such revenue shall be distributed within the Host County in the manner provided by ordinance of the county council of the Host County; provided, that (i) all taxing districts which overlap the applicable revenue-generating portion of the Park shall receive at least some portion of the revenues generated from such portion, and (ii) with respect to amounts received in any fiscal year by a taxing entity, the governing body of such taxing entity shall allocate the revenues received to operations and/or debt service of such entity.

Each Host County is specifically authorized to use a portion of the revenue for economic development purposes as permitted by law and as established by ordinance of the county council of the Host County.

(B) Revenues allocable to Williamsburg County by way of fees in lieu of taxes generated from property located within Florence County shall be distributed solely to Williamsburg County. Revenues allocated to Florence County by way of fees in lieu of taxes generated from property located within Williamsburg County shall be distributed solely to Florence County.

8. Fees in Lieu of Taxes Pursuant to Title 4 or Title 12 of the Code of Laws of South Carolina, 1976, as Amended. It is hereby agreed that the entry by Williamsburg County into any one or more fee in lieu of tax agreements pursuant to Title 4 or Title 12 of the Code of Laws of South Carolina, 1976, as amended ("Negotiated FILOT Agreements"), with respect to property located within the Williamsburg County portion of the Park and the terms of such agreements shall be at the sole discretion of Williamsburg County. It is further agreed that entry by Florence County into any one or more Negotiated FILOT Agreements with respect to property located within the Florence County portion of the Park and the terms of such agreements shall be at the sole discretion of Florence County.

9. Assessed Valuation. For the purpose of calculating the bonded indebtedness limitation and for the purpose of computing the index of taxpaying ability pursuant to Section 59-20-20(3) of the Code of Laws of South Carolina, 1976, as amended, allocation of the assessed value of property within the Park to Williamsburg County and Florence County and to each of the taxing entities within the participating counties shall be identical to the allocation of revenue received and retained by each of the counties and by each of the taxing entities within the participating counties, pursuant to Paragraphs 6 and 7 of this Agreement.

10. Severability. To the extent, and only to the extent, that any provision or any part of a provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable the remainder of that provision or any other provision or part of a provision of this Agreement.

11. South Carolina Law Controlling. This Agreement has been entered into in the State of South Carolina and shall be governed by and construed in accordance with South Carolina law.

12. Counterpart Execution. This Agreement may be executed in multiple counterparts.

13. Termination. Notwithstanding any provision of this Agreement to the contrary, Williamsburg County and Florence County agree that this Agreement may be terminated only upon approval of an ordinance to that effect by the governing body of each county. Notwithstanding the foregoing, this Agreement may not be terminated to the extent that either Williamsburg County or Florence County has outstanding contractual commitments to any owner or lessee of property located in the Park requiring designation of such property as part of a

multi-county industrial or business park pursuant to Article VIII, Section 13(D) of the South Carolina Constitution and Title 4, Chapter 1 of the Code of Laws of South Carolina, 1976, as amended (the "Act"), unless such County shall first (i) obtain the written consent of such owner or lessee or (ii) designate such parcel as part of another multi-county industrial or business park pursuant to the Act effective immediately upon termination of this Agreement.

IT IS HEREBY AGREED.
