Questions: Will ~~not~~ the value of our homes drop with the duplexes being built.

Comments: I feel that this is a family originated community and this should be for houses only. With the rezoning I think that ~~they~~ there should be homes built and not duplexes where people are constantly moving in and out.

Questions: With the new duplexes that are being built will
that bring down our property value?

Comments: We would rather houses be built instead
of duplexes with the rezoning. This area has families
that have been living here for years and we know
all our neighbors on this street!

To the members of the Florence County Council:

I am not able to be present at the meeting concerning the rezoning of the lots on Grace Dr. (ORDINANCE NO. 17-2014/15) for reasons beyond my control. However, I wish to have my voice heard by signing this document as one that is opposed to the rezoning. I am with the majority of the neighborhood that is against this action that will be voted on by the Florence County Council February 19th 2015.

The use of law enforcement/correctional officers to perform law enforcement duties outside of the territorial limits of the jurisdiction where the law enforcement/correctional officers are legally employed may be desirable and necessary in order to preserve and protect the health, safety, and welfare of the public.

SECTION 2: Authorization

All arrest and any enforcement actions and prosecutions shall remain within the jurisdiction where such actions would be properly brought in the absence of this agreement. Correctional officers shall have the all powers and authority as provided by law.

SECTION 4: Compensation

FLORENCE COUNTY COUNCIL MEETING

March 19, 2015

AGENDA ITEM: Third Reading of Ordinance No. 16-2014/15

DEPARTMENT: Administration
Finance
IT

ISSUE UNDER CONSIDERATION:

(An Ordinance Authorizing The Execution And Delivery Of A Not Exceeding \$3,800,000 Lease Purchase Agreement Relating To The Purchase Of Certain Equipment For Information Technology Upgrades By Florence County, South Carolina, Authorizing The Execution Of Other Necessary Documents And Papers, And Other Matters Relating Thereto.)

POINTS TO CONSIDER:

1. At its December 11, 2014 regular meeting, County Council approved the IT Strategic Plan as presented by the Chief Information Officer and asked the County Administrator to develop a funding plan with first emphasis for no tax increase, but in no event to exceed a 1.9 mil increase.
2. The total cost of the Plan as presented was slightly more than \$6,900,000. Staff recommended that \$3,200,000 of CPST2 funds allocated to the County Complex be used toward the cost of the plan.
3. Therefore a lease purchase agreement will have to be authorized to fund the remaining \$3,800,000 of the Plan.
4. Staff has identified potential additional funding sources for the Plan; therefore the amount of the lease purchase agreement could be reduced to as little as \$750,000, with no millage increase.

FUNDING FACTORS:

1. A \$3,800,000 lease purchase agreement repaid over a period of five years would require a 1.9 mil debt service levy, beginning in the fall of 2015.
2. As noted above, staff has identified potential additional funding sources for the Plan. These sources are as follows:
 - \$1,000,000 from account 045-281-253000-0000
 - \$1,000,000 from account 153-281-253000-0000
 - \$1,000,000 from account 111-281-253000-0000
 - The remaining \$750,000 would be funded from an annual \$250,000 reduction in the IT budget over the next three years. This would mean that the lease would be for only \$750,000 and could be funded from these budget savings, requiring no millage increase.

OPTIONS:

1. *(Recommended)* Approve Third Reading of Ordinance No. 16-2014/15 and the funding plan as presented by staff.
2. Provide An Alternate Directive.

ORDINANCE NO. 16-2014/15

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

AN ORDINANCE

AUTHORIZING THE EXECUTION AND DELIVERY OF A NOT EXCEEDING \$3,800,000 LEASE PURCHASE AGREEMENT RELATING TO THE PURCHASE OF CERTAIN EQUIPMENT FOR INFORMATION TECHNOLOGY UPGRADES BY FLORENCE COUNTY, SOUTH CAROLINA, AUTHORIZING THE EXECUTION OF OTHER NECESSARY DOCUMENTS AND PAPERS, AND OTHER MATTERS RELATING THERETO.

BE IT ORDAINED by the Florence County Council, the governing body of Florence County, South Carolina, in meeting duly assembled:

ARTICLE I
FINDINGS OF FACT

Florence County Council (the "County Council"), the governing body of Florence County, South Carolina (the "County"), has made the following findings of fact:

Section 1.01

The County Council has determined that a need exists for and that it is necessary for the County to acquire various items of storage and security equipment and related software relating to the County's Information Technology System (the "Equipment") for use by the County. The County anticipates that the total cost of the Equipment will not exceed \$6,200,000. The County Council has determined that it is in the best interests of the County to defray a portion of the cost of purchasing the Equipment through a lease-purchase financing in accordance with the terms of this Ordinance.

ARTICLE II
AUTHORIZATION

Section 2.01 Approval of the Financing.

The County Council hereby approves the entry of the County into a Lease-Financing Agreement in principal amount not to exceed \$3,800,000 (the "Agreement") to finance a portion of the cost of purchasing the Equipment and to pay issuance costs with respect to the Agreement. The Equipment shall be leased for a term not to exceed five (5) years. The County Administrator of the County (the "Administrator") is authorized to solicit competitive bids for the financing of the Equipment from qualified financial institutions, to determine the final principal amount and maturity date of the Agreement, and to accept the proposal which in his sole discretion shall be in the best interests of the County, provided, however, that approval by resolution of Council supplemental hereto shall be required prior to the acceptance of any proposal which includes a rate of interest in excess of six percentum (6.0%) per annum.

Funding for a portion of the cost of purchasing the Equipment will be provided as follows: \$1,000,000 from account 045-281-253000-0000, \$1,000,000 from account 153-281-253000-0000, and \$1,000,000 from account 111-281-253000-0000. The principal amount of the Lease-Financing Agreement will be adjusted accordingly at closing and the funding for the annual payments under the Agreement will be provided by annual savings from the IT Department budget over the next three fiscal years.

The Agreement shall not constitute a debt of the County, and the full faith, credit and taxing power of the County shall not be pledged to secure payment of rental payments or other sums due pursuant to the Agreement.

Section 2.02 Authorization to Contract.

The Administrator is hereby authorized, empowered and directed to execute, acknowledge and deliver the Agreement and associated documents to the winning bidder and other appropriate parties. The execution of the Agreement by the Administrator shall constitute conclusive evidence of approval of the principal amount and rental payments due pursuant to the Agreement and the terms thereof.

Section 2.03 Other Documents, etc.

The Chairman of County Council, the Clerk to County Council and the Administrator are hereby authorized to execute any and all other documents, instruments, certificates or other papers as they deem necessary and appropriate, with the advice of counsel, to accomplish the transactions contemplated by this Ordinance.

Section 2.04 Severability of Invalid Provisions.

If any one or more of the covenants or agreements provided in this Ordinance should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Ordinance.

Section 2.05 Effective Date of Ordinance.

This Ordinance shall become effective upon the third and final reading thereof.

ARTICLE III
CERTAIN MATTERS PERTAINING TO THE INTERNAL REVENUE CODE

Section 3.01 General Tax Covenants.

The County will comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the tax-exempt status of the Agreement including without limitation, the requirement to file the information report pertaining to the Agreement with the Internal Revenue Service.

Section 3.02 General Tax Representations and Covenants.

The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause the interest component of rental payments made pursuant to the Agreement to become includable in the gross income of the Holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original execution of the Agreement. Without limiting the generality of the foregoing, the County represents and covenants that:

(a) All property provided by the net proceeds of the Agreement will be owned by the County in accordance with the rules governing the ownership of property for federal income tax purposes.

(b) The County shall not permit the proceeds of the Agreement or any facility financed with the proceeds of the Agreement to be used in any manner that would result in (a) ten percent (10%) or more

of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any natural person or in any activity carried on by a person other than a natural person other than a governmental unit as provided in Section 141(b) of the Code, or (b) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any person other than a governmental unit as provided in Section 141(c) of the Code.

(c) The County is not a party to nor will it enter into any contracts with any person for the use or management of any facility provided with the proceeds of the Agreement that do not conform to the guidelines set forth in Revenue Procedure 97-13, as may be modified by subsequent pronouncements of the United States Treasury Department applicable thereto.

(d) The County will not sell or lease the Equipment or any property provided by the Agreement to any person unless it obtains the opinion of nationally recognized bond counsel that such lease or sale will not affect the tax exemption of the Agreement.

(e) The Agreement will not be federally guaranteed within the meaning of Section 149(b) of the Code. The County has not entered into any leases or sales or service contract with any federal government agency and will not enter into any such leases or contracts unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax exemption of the Agreement.

Section 3.03 Qualified Tax-Exempt Obligations.

If at the time of the entry by the County into the Agreement the Administrator determines that the County reasonably expects that it and all entities subordinate thereto will issue no tax-exempt obligations (other than private activity bonds) in calendar year 2015 which, along with the Agreement, would aggregate more than \$10,000,000 in principal amount, the Administrator may designate the Agreement as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Code.

TAX MAP NUMBER: 00349, Block 02, Parcels 014 & 035, and 03491, Block 02, Parcels 001 & 002

COUNCIL DISTRICT(S): 2; County Council

OWNER OF RECORD: Thadis D. Calcutt Jr., Dale F. Hanna, Kenneth W. Butler, Lynn K. Fitch

APPLICANT: Thadis D. Calcutt Jr.

LAND AREA: 4.22 Acres

WATER /SEWER AVAILABILITY: Town of Pamplico

**ADJACENT WATERWAYS/
BODIES OF WATER:** There does not appear to be any waterway/body of water adjacent to the property.

FLOOD ZONE: The properties are not located in a flood zone.

STAFF ANALYSIS:

1. **Existing Land Use and Zoning:**
The subject properties are currently single-family residential homes and currently zoned R-1, Single-Family Residential District.
2. **Proposed Land Use and Zoning:**
The proposal is to rezone the subject properties to RU-1, Rural Community District.
3. **Surrounding Land Use and Zoning:**
North: Single-Family Residential District/R-1/Town of Pamplico
South: Single-Family Residential District/Vacant land/R-1/Town of Pamplico

West: Single-Family Residential District/R-1/Town of Pamplico
East: Vacant Land/UZ/R-1/Town of Pamplico

4. Transportation Access and Circulation:

Present accesses to the properties are by way of Pamplico Hwy.

5. Traffic Review:

The rezoning of these properties will not have an effect on traffic flow for the area.

6. Florence County Comprehensive Plan:

Currently, the subject properties are located in a residential Preservation area according to the Comprehensive Plan Land Use Map.

The applicant has requested to rezone the properties from R-1 to RU-1.

The request for the zoning amendment to RU-1 does not comply with the Land Use Element's designation for the subject property.

However, staff is moving forward with the request to amend the land use designation to Rural Preservation to comply with the Comprehensive Plan Land Use Map as the designation would coordinate with the existing land uses surrounding the area.

When the amendment is approved for the land use designation change, the zoning amendment of the subject property from R-1 to RU-1 will be in compliance.

7. Chapter 30-Zoning Ordinance:

The intent of the RU-1, Rural Community District: The intent of this district is to sustain and support rural community centers as an integral part of the rural environment, serving the commercial, service, social, and agricultural needs of nearby rural residents.

STAFF RECOMMENDATION:

Staff recommends denial due to neighborhood complaints regarding a previous history of heavy commercial vehicles accessing an illegal commercial use of the property located at 520 N. Pamplico Hwy., Tax Map No. 03491-02-001.

FLORENCE COUNTY PLANNING COMMISSION ACTION-TUESDAY, JANUARY 27, 2015:

FLORENCE COUNTY COUNCIL MEETING

March 19, 2015

AGENDA ITEM: Introduction of Ordinance No. 27-2014/15 by title only

DEPARTMENT: Administration
Finance

ISSUE UNDER CONSIDERATION:

(An Ordinance To Amend Ordinance No. 21-1991/92 In Order To Exempt Vehicles From Being Assessed The Road System Maintenance Fee That Are Exempted By State Law From Having To Pay Property Taxes.)

POINTS TO CONSIDER:

1. South Carolina Code of Laws Section 12-37-220 exempts certain vehicles – such as those owned by disabled veterans and by churches – from paying property taxes.
2. Currently these vehicle **owners** have to obtain a “blue card” from the County Auditor’s office indicating their vehicle is exempt from **property** taxes. The owner then takes this card to SCDMV in order to receive the annual decal for the license plate on this vehicle.
3. However, even though these vehicles are exempt from **property** taxes, Council has never exempted these vehicles from being **charged** the Road System Maintenance Fee (RSMF).
4. In 2014, of the over 100,000 vehicles in Florence County, approximately 700 vehicles were exempt from paying property taxes.

FUNDING FACTORS:

1. If these vehicles were charged the RSMF, Florence County would collect an additional \$21,000 in fees annually.
2. However, this fee has never been collected on vehicles exempt from **property** taxes.

OPTIONS:

1. **(Recommended)** Introduce Ordinance No. 27-2014/15 by title only
2. Provide An Alternate Directive.

POINTS TO CONSIDER:

1. General obligation bonds in the amount of \$4,200,000 were issued in 2005 with interest rates ranging from 3.00% to 4.00%.
2. Interest rates have decreased to a level that makes it financially prudent to refund these bonds. If the bonds are refunded, Florence County is estimated to save \$15,000 per year over the next five years.

FUNDING FACTORS:

1. There is no financial impact to the County.

FLORENCE COUNTY COUNCIL MEETING

AGENDA ITEM: Report to Council

DEPARTMENT: Administration
Finance
Public Works

ISSUE UNDER CONSIDERATION:

Declaration of two mobile homes and one air compressor as surplus property for disposal through public internet auction via GovDeals or manner most advantageous to the County.

POINTS TO CONSIDER:

1. The two mobile homes formerly used by the Environmental Services department as office space before construction of the Animal Control Facility are no longer being used and can be disposed of. Due to the age of these mobile homes, a moving permit cannot be obtained for them to be moved, so they will have to be demolished in place and sold for scrap value.
2. The County owns an Ingersoll-Rand air compressor, Serial Number 304927UIJ221, that was used by the Water and Sewer Department. It has not been used since the water and sewer system was sold to the City of Florence.
3. Disposal will not impact on-going operations.
4. Florence County Code requires County Council approval for disposal of surplus property.
5. Disposal by internet auction is efficient and requires significantly less staff time/coordination than other public offer methods.

FUNDING FACTORS:

\$0 – Cost of disposal by internet auction via GovDeals is 7% of highest winning bid paid.

OPTIONS:

1. *(Recommended)* Approve as presented.

Councilman Mitchell Kirby
4635 West Palmetto Street

Dear Councilman Kirby:

We are excited with our partnership with Florence County School District 4 and Florence County Council to utilize the former school career center as a group dining site for the Timmonsville senior citizen participants.

Senior Citizens Association requests that the County of Florence cover the expense of purchasing and installing a new heat and air condition unit for the authorized building. We are hoping this temporary site will be more comfortable and accessible for our Timmonsville seniors.

We look forward to working with you regarding a permanent site in the future. Enclosed is a copy of the Certificate of Liability Insurance. If you require any additional information, please feel free to contact me at 668-6761, ext. 229 or lmj128@bellsouth.net.

Sincerely,

Linda Mitchell Johnson

March 13, 2015

Mr. Roger Poston, Chairman
Florence County Council
180 North Irby Street, MSC-G
Florence, SC 29501

Dear Mr. Poston:

Thank you for your support of the Pee Dee Local Workforce Investment Board. As you are aware, President Barack Obama signed the Workforce Innovation and Opportunity Act (WIOA) into law on July 22, 2014, with implementation scheduled for July 1, 2015. The State Workforce Investment Board voted not to permit any existing workforce investment boards in South Carolina to be "grandfathered" as Workforce Development Boards in the State's implementation strategy for WIOA. As a result, all local workforce board members must be reappointed to the newly established workforce development board. In addition, because WIOA legislation does not require the same representation as our current board, the Pee Dee Workforce Development Board size will be reduced to 21 members, representing the six consortium counties based on population. As a result, Florence County's representation has been reduced from 11 to 8 members.

We are requesting that the following current members be appointed to the newly-formed WIOA workforce development board, as members whose organizations require representation in accordance with federal legislation:

| Member | Representation Category | Term of Appointment |
|----------------|----------------------------|---------------------|
| Vicky Tyner | State Employment Service | 7/1/2015-6/30/2018 |
| Carol Anderson | Title I Rehabilitation Act | 7/1/2015-6/30/2018 |
| Lauren Stanton | Economic Development | 7/1/2015-6/30/2017 |
| Ron Reynolds | Organized Labor | 7/1/2015-6/30/2016 |
| Max Welch | Higher Education | 7/1/2015-6/30/2016 |

In addition, Florence County is required to appoint three business (private sector) members to the newly-formed workforce development board. Present private sector members, representing Florence County are Robby Hill, Cindy Bryant, Joyce Hill, Mariel McAllister, and Les Echols. Our recommendation is as follows as it relates to the private sector representation:

1. Based on his expertise and the need for continuity during this period of transition, that Robby Hill be appointed to the workforce development board, with his term expiring June 30, 2017.
2. Based on her expertise and the need for continuity during this period of transition, that Cindy Bryant be appointed to the workforce development board, with her term expiring June 30, 2018
3. That the remaining private sector slot be filled by Joyce Hill or Les Echols, with the term expiring on June 30, 2016.

At this time, because Ms. McAllister has not yet become engaged in the work of the Board, we do not recommend her for appointment to the newly-formed workforce development board. She and any existing board members who are not chosen for full board membership will be invited to become or stay involved in an ex officio capacity as a member of one or more of our committees. Ex officio members do not need the approval of the county councils, as they are considered non-voting members.

The County may choose to fill these seats on the Board in accordance with our recommendations or may make alternate choices from among the existing members. I have attached a separate page with additional information that you may wish to consider in making the appointments.

If you would please place this matter on the March 19 County Council agenda for consideration, I would greatly appreciate it. I do need this approved as soon as possible to comply with the State's deadline for submitting our local area's petition to be a local area designated to receive WIOA funding. Written disposition of Council's decision will be required for our records.
