BUDGET WORKSESSION:
The Chairman announced Council would recess and reconvene in the Conference Room to hold a budget Worksession to discuss matters relating to the proposed Fiscal Year 2012 budget.

Council Recessed At 8:15 A.M. And Reconvened At 8:21 A.M. In The Conference Room For The Budget Worksession.

County Administrator Richard Starks and Finance Director Kevin Yokim provided a brief overview of the proposed FY12 budget.
Council discussed the proposed budget from its second reading, including the reduction of the manned convenience centers (MCC) operations from six days to four (12 hour) days per week, or increasing the Solid Waste Fee $5/year above the proposed increase to keep the sites open six days per week. After some discussion, it was the consensus of Council to move forward with the proposed budget and close the centers for two (2) days per week (Tuesday and Thursday).

Council discussed the FY12 position cuts included in the budget at second reading, noting that the greatest number of cuts would be in the Sheriff’s Office (FCSO). About 26 slots (FTEs) would be defunded, of which about 17 were vacant positions; approximately 7 could be FCSO layoffs after internal demotions were applied; an additional $196,000 in funding could retain 6 positions for the FCSO. Council acknowledged that to increase the FCSO budget, would require an across the board adjustment to meet State requirements in all elected officials’ departmental budgets.

Councilman Schofield requested a review of State law to determine if the following items could be utilized as cost saving measures: 1) use of electronic mailing for tax notices versus the US Postal Service; 2) charging the school districts for collection and distribution of taxes, just like the municipalities; and, 3) replacing the HVAC system at the Public Services Building.

Members of Council expressed interest, in the future, to meet in October or November to discuss strategic issues and provide key directions to staff prior to the annual budget preparation.
