

Rain Sticks

**Saturday, July 6
10:00 AM-2:00 PM**

Rain sticks were traditionally used by many Native American tribes in ceremonies designed to bring rain after long periods of drought.

Come to the EDC between 10:00 AM and 2:00 PM to make your own rain stick, which simulate the sound of falling rain when turned end over end.

There is no charge for this event and registration is not required.
