**November 12** Arrive in Aruba for a full day. Dutch influence still lingers on this balmy Caribbean island, part of the former Netherlands Antilles until its independence in 1986. Aruba is a contrast: the island's arid interior is dotted with cactus and windswept divi-divi trees while secluded coves and sandy beaches make up its coast. Aruba's long and colorful heritage is reflected in its dialect. Called Papiamentu, it is a tongue that combines elements of Spanish, French, Portuguese, Dutch, African and English.

**November 13** Fun day at sea to enjoy the amenities of the ship.

**November 14** One of the more interesting cities on your itinerary, Cartagena, Colombia is steeped in history. This was the transit port for all the wealth Spain derived from South America. The famous "Old City" is comprised of 12 square blocks filled with attractions, boutiques and restaurants.

**November 15** Today will be a highlight of the tour as we make our way into the Panama Canal. The narrow isthmus separating the Atlantic from the Pacific Ocean had a colorful and turbulent history long before Ferdinand de Lesseps first dreamed of building a transcontinental canal.

Spanish conquistadors hauled Incan gold through the dense rainforest to ports on the Atlantic. English freebooters sought to ransack those ports and attack the treasure ships that sailed from Portobelo and 49ers braved mosquitoes and yellow fever to get to the California gold fields. While the Panama Canal remains one of the great American engineering feats of the 20th century, visitors to Panama will discover a whole range of scenic wonders.

**November 16** Costa Rica's Limon Province boasts pristine beaches, sprawling banana plantations and dense rainforest. These Caribbean lowlands are still sparsely populated--nearly a third of the province's population lives around Puerto Limon--and conservation efforts have led to growing eco-tourism. Limon Province offers other charms as well. Afro-Caribbean influences abound, from the lilting speech and reggae rhythms brought by Jamaican settlers to the colorful bungalows lining small fishing villages. Limon is a zesty little slice of heaven.

**November 17** Fun day at sea to enjoy the amenities of the ship.

**November 18** Ocho Rios (Spanish for "Eight Rivers") is located on the northern coast of Jamaica--67 miles east of Montego Bay. Blue-green mountains, white-sand beaches, lilting breezes wafting across flower-adorned hillsides - Jamaica is a sensual feast. Stunning natural beauty and a unique society molded by British, African, Spanish and Asian influences make Jamaica an unforgettable port of call in the Caribbean. Ocho Rios is a superb slice of Jamaica. The area is named for its spectacular rivers and waterfalls, including famed Dunn's River Falls.

**November 19** Fun day at sea to enjoy the amenities of the ship as we return to Fort Lauderdale.

**November 20** Arrive back at port around 7:00am. Motorcoach home to Florence today after a grand trip to the Panama Canal.
