**Subject: BID REJECTION LETTER- PHASE 3 SPLASH PAD REPAIRS AT
LYNCHES RIVER PARK (BID NO. 01-14/15)**

Dear Mr. Randy Strickland, Strickland Waterproofing Company, Inc.:

Florence County requested bids from qualified vendors for the Phase 3 Splash Pad Repairs at Lynches River Park (Bid No. 01-14/15). Your bid was received and opened at 3:00 p.m. on Thursday, July 31, 2014. Your company was the only one that submitted a bid for this project.

Your bid response did not include the required bid bond or a certificate of statement on business letterhead stating that have been in business for five (5) consecutive years without filing for bankruptcy as required and stated on page 21 of the bid document.

Therefore, Florence County must reject your bid.

It is the intent of Florence County to re-bid this project. Once this happens, a revised invitation to bid document will be forwarded to you.

Please contact me via e-mail at pfletcher@florenceco.org if you have any questions.
Sincerely,

Patrick D. Fletcher, CPPB
Procurement Director
