**ADDENDUM NO. 2 - ENGINEERING DESIGN FIRM TO UPDATE A LONG RANGE PLAN  
TO ACCOMMODATE TRAVEL DEMAND IN THE FLORENCE AREA TRANSPORTATION  
STUDY (FLATS) AREA (RFP NO. 05-15/16)**

Florence County is sending to all interested firms clarification information and answers to a question concerning this invitation to bid. The answer is highlighted in RED and underlined.

Since the SF 330 requires more information and therefore more pages, will the SF 330 count towards the 25 page limit? If so, are there certain required elements (such as a cover letter, firm financial statement, etc.) that may be considered outside of the page limit? **Since the SF-330 form is a more thorough form that will give us a lot of the information that we require, it will count toward the 25-page limit. The page limit should allow you to submit along with the SF-330 form (without the instructions), a cover sheet, and all submission requirements of the RFQ.**

**PLEASE ACKNOWLEDGE THIS ADDENDUM BY SIGNING BELOW AND SUBMIT IT WITH YOUR BID.**
